

It is true to say...

That is an interesting point. I would like to add.....

In my opinion....

I am in two minds about this because....

I wholeheartedly believe that....

In response to that comment, I would say...

I understand your viewpoint but have you thought about it this way.....

Having weighed up the evidence, I think that....

My salient point is....

In response to that comment, I would say...

Some people believe...but I think...

Unquestionably,  
.....

To elucidate on my point, I would like to say...

In conclusion, I consider that...
